Affirmative Action Questionnaire

Qualified applicants are considered for positions, without regard to race, color, religion, sex, national origin, age, marital, veteran status, or handicap. As an employer/government contractor, we comply with government regulations and Affirmative Action responsibilities. To help us comply with required government record keeping, please complete the following information. Submission of this information is VOLUNTARY and will be kept separate from the employment application form. Both your employment application and Affirmative Action Questionnaire forms are confidential, hiring supervisors will not have access to your response.

Once you have completed the questionnaire, detach this page from the application packet, seal the page in the envelope attached, and submit it with your application. If an envelope is not attached, please request or provide one. The supervisor will forward the sealed envelope to the Human Resource Department.

Completion of this questionnaire is optional; your decision to respond or not respond will have no effect on your application. Thank you for your time!
